Office of Human Research Administration
Research 101 Workshop

The Office of Human Research Administration has come together with key individuals involved in all steps of the research process to provide some guidance, advice and tips to conducting a successful research study at Sparrow Health System.

**Topics discussed include:**

- Developing a good study protocol
- Navigating the Institutional Review Board (IRB) Process
- Gathering Your Data
- HIPAA Considerations for PHI Used in Research
- Tools Sparrow Has to Offer to Help Collaborate With Other Researchers
- Research 101
  - Attracting Sponsors
  - Working With Regulations
  - Initiating Your Study
  - Regulatory Forms

**Lunch will be provided!**

- If you would like to attend, register by e-mailing irb@sparrow.org
- Include the names and titles and organization of the individuals attending.
- The deadline to register is 6/12/15

**Tuesday June 23, 2015. 9am to 2pm.**
